Dated: 14th September, 2026

Dear Shri Rajesh,

I am writing to personally draw your attention to the long-pending construction project of the regional administrative complex at Sector 5, which has been awaiting structural safety clearance from your department for the last three months.

As you are aware, this project is a critical component of the upcoming e-Governance infrastructure expansion initiative. Any further delays in securing this clearance will inevitably defer the deployment timeline, impacting our annual targets and causing substantial cost overruns.

I would be highly grateful if you could personally look into the matter and expedite the processing of this file. It would be immensely helpful if the necessary authorization could be issued by the end of this week to keep the project on track.

With warm regards,

Yours sincerely,

(Amitabh Sharma)

To,
Shri Rajesh Kumar,
Chief Engineer (Planning),
Central Public Works Department,
